Once again congratulations to the matric class of 2022 for producing such great results. We wish you all the best in your future endeavours.

We also would like to congratulate Ms Mabuwa who will received an award today from the District department of Education for top achieving educator in the district. We share her joy in this achievement and thank her whole heartedly for her fine efforts in her subject Accounting.

2. Extra-Curricular Programme

Our Sporting and Cultural programme commenced last week, our school is buzzing with so much activity, it is so encouraging to see our pupils participating in all these activities. We urge Parents to please encourage your child to take part in two afternoon activities each week. It has been proven that a "healthy body leads to a healthy mind". A reminder that extra murals end at 16h00 unless a match is being played. We request Parents to please collect their children on time, or make certain transport arrangements are made.
